World Peace is not just a dream

Since the ancient Greek philosophers to the present day nobody has provided a solution to it.

Now,
Maulana Wahiduddin Khan
presents the answer in his new book.

In this book:

Maulana has developed a unique concept of peace from the Quran and Hadith, from observations in nature and the universe, from a study of history and human psychology and from rational thinking.

It is the only ideological and practical method of obtaining peace that has ever been proposed.
